

PEER ACTION

FOR PEOPLE LIVING WITH HIV

Volunteering with Peer Action as Trustee

Who are we?

We are a registered charity dedicated to improving the well-being of people living with HIV in Brighton and Hove and surrounding areas. As a grassroots group run entirely by volunteers, we offer support through a programme of well-being events, social and physical activities, providing friendship and companionship to anyone feeling isolated as well as those who care for or share their lives with them.

What is involved in becoming a trustee?

Peer Action are looking to appoint more trustees to join their enthusiastic board. They are looking for people with integrity who are team players and able to demonstrate a real commitment and responsibility in a professional way to the charity. An appropriate conduct and a collaborative approach are essential requirements.

Trustees are responsible as part of the board for the overall governance and strategic direction of the charity's goals, developing the organisation's aims, objectives and goals in accordance with the regulatory guidelines.

The role of trustee is a voluntary position. It is a rewarding role and you must bring one or more of the following skills to the charity:

- Administration
- Fundraising
- Communications, marketing and social media
- Stakeholder engagement

Above all, we are looking for people with the energy and passion to make a difference for people living with HIV. Although we operate within a very strong local community, we invite applications from Sussex and surrounding areas.

Anyone wishing to become a trustee will be asked to provide the following:

- A complete Volunteer Application Form
- A DBS disclosure for safeguarding reasons if required (we can arrange that for you)
- Contact details for one referee
- Bank details for reimbursement of expenses

For an informal discussion about the role or to request an application form, please contact trustees@peeraction.net. Your enquiry will be very welcome.
